AUDIT RISK ALERT # 5

DATE: November 17, 2017

SUBJECT: *Louisiana Governmental Audit Guide* May Now Be Printed Out in One Continuous Document

Due to popular request, there is now an option to print out the *Louisiana Governmental Audit Guide* in one continuous document. The link to the continuous printable document may be found on the Louisiana Legislative Auditor's (LLA's) website at <https://www.lla.la.gov/LaGAG.nsf>

To access the continuous printable document, click on the "Download and Print" option, which may be found on the right of the "Search" button on the audit guide home page:

The screenshot displays the Louisiana Legislative Auditor's website. At the top, the logo and name "LOUISIANA LEGISLATIVE AUDITOR" are visible, along with the name "Daryl G. Purpera". Below this is a navigation bar with links for "About Us", "Audit Services", "Communities", "Reports", "Report Fraud", "FAQs", and "Careers". The main content area is titled "Louisiana Governmental Audit Guide" and includes a "Search" button and a "Download and Print" button, with a red arrow pointing to the latter. A sidebar on the left lists various services and resources, including "Overview", "Approved CPAs Listing", "Assessors & Millages", "Best Practices", "Engagement Approval Forms & Other", "Local Auditee Engagement Info", "Extension Request Form & Instructions", "Legal Assistance", "Local Government Reporting System", "Louisiana Governmental Audit Guide", "Peer Reviews", "Statewide Agreed-Upon Procedures", "Public Records Requests", and "State Contracts". The main content area also features several tiles for "Louisiana Audit Guide Index", "Who Reports to the Auditor?", "Special Reporting Requirements", "Practice Aids & Related Documents", "Audit Risk Alerts", and "CPA For CPA Firms".

Attachments within individual audit guide modules (such as practice aids) must still be printed out separately after accessing the individual module.

We hope that this option for printing out the *Louisiana Governmental Audit Guide* addresses the request that many CPAs have expressed to LLA personnel. If you have any questions, please contact Gayle Fransen gfransen@lla.la.gov or (225) 339-3874.
